SALESIAN LEADERSHIP CAMP 2010

FAITH, FUN AND LEADERSHIP IN THE OUTDOORS!

Salesian Leadership Camp blends Salesian virtues with hands-on practical leadership skills. We focus on a Salesian leadership philosophy which is rooted in self-confidence, global awareness, prayer, respect, communication and service to God though neighbor. Daily Mass and night prayer are an integral part of our week together.

Our staff includes Oblates of St. Francis de Sales, Sisters of the Visitation and other experts in leadership, Salesian Spirituality and the art of learning in a fun and joyous atmosphere.

Join us at Salesian Leadership Camp for our seven-day teen leadership program this summer and discover the leader in you. With high school students from around the country, you will enjoy a blast of fresh ideas to help make you a strong leader at school, in your parish, and with your friends.
